INTRODUCTION TO SENTENCING STANDARDS

Arkansas has joined a growing number of states and the federal government in adopting sentencing standards. Sentencing standards vary widely in purpose and application. The Arkansas standards defined in Acts 532 and 550 of 1993 serve the purposes of equity in sentencing, i.e. similar sentences for similar offenders with similar criminal histories and proportionality in sentencing by creating a balanced correctional system which reserves the most serious sanctions for the most serious offenders.

How the standards work.

The sentencing standards structure adopted in Arkansas is a voluntary procedure for use by those directly involved in sentencing - judges, prosecutors and defense attorneys. The **Arkansas Sentencing Standards Grid** has been adopted by the Arkansas Sentencing Commission pursuant to legislative authority and the Administrative Procedures Act. See Section I. It is applicable to crimes which occur on or after January 1, 1994. A **presumptive sentence** for a **typical case** is determined on a grid with two dimensions: **offense seriousness** and **offender history**.

Offense seriousness is determined by reference to a table adopted by the Commission which lists all felony crimes in one of ten levels of seriousness. See Section II. **Offender history** is determined by reference to the statute, A.C.A. 16-90-803 which allocates points for different levels of felonies, misdemeanors, certain juvenile adjudications and custody status at the time that a crime was committed.

Determining the **presumptive sentence** for a particular offense is a starting point for the process. The presumptive sentence is not intended to be the sentence in a particular case unless in the judgment of the prosecutor and the defense attorney and/or the judge, the offense represents a **typical case** based upon their experience and knowledge. If the case is non-typical, the procedure is defined for departing from the presumption. ***The full statutory range of punishment is available for all cases.***

Departure criteria and procedures are defined in the Code and the only requirement imposed for a departure from the presumptive sentence is that written reasons be given. A Departure Form is provided by the Commission which lists statutory **aggravating factors** and **mitigating factors** and a space for other reasons. See Section III. Departure criteria are not limited to those listed in the legislation.

Act 1179 of 2001 clarifies that sentencing guidelines do not apply to probation revocation proceedings. This legislation was enacted in response to the Arkansas Supreme Court's decision in *Martin v. State*, 337 Ark. 451, 989 SW2d 908 (1999), finding that the guidelines did apply. Thus, departure reports are not required in revocation proceedings.

Sentencing Standards

Identical Acts 532 and 550 of 1993 created the Arkansas Sentencing Commission and authorized the creation of the Sentencing Standards Grid and Seriousness Rankings. These acts are codified as follows:

**ARKANSAS SENTENCING STANDARDS GRID
POLICY STATEMENTS**

Regional Correctional Facilities

Only defendants who have been found guilty of a "targeted" crime are eligible to be sentenced to a Regional Correctional Facility. Sentences to a Regional Correctional Facility should only be utilized for those who the Court would otherwise sentence to the Department of Correction. The Sentencing Commission strongly encourages local courts to utilize the services of the Regional Correctional Facilities in lieu of penitentiary time in appropriate cases.

Felony DWI

Current law provides a minimum of one (1) year of community service as the only alternative sanction available for DWI (felony). Incarceration sentences must be a minimum of a one (1) year (12 months) commitment to the Arkansas Department of Correction. No departure form is required.

Minimum Sentences

The Commission recognizes that the presumptive sentences recommended in some cells of the grid may fall below the minimum sentence to imprisonment for the classification of an offense, (Pursuant to A.C.A. 5-4-104). A court may sentence a defendant to a term of imprisonment and suspend imposition of sentence as to an additional term of imprisonment up to or over the minimum sentence.

Definitions

PEN - Commitment to the Arkansas Department of Correction .

RCF - Regional Correctional Facilities - multipurpose facilities encompassing security, punishment and services such that offenders can be housed therein when necessary but can also be assigned to or access punishment programs and services which are housed there, included therein are revocation centers, restitution centers, work release centers, Community Correction centers.

AS - Alternative Sanctions - includes (1) probation, both supervised and unsupervised; (2) suspended imposition of sentence; (3) work on service programs coupled with or without (1) or (2) above; (4) local jail time up to the maximum authorized by law as a condition of (1) or (2) above; (5) Community Correction programs as defined and provided by the Board of Corrections or by local courts as conditions of (1) or (2) above.

ADDENDUM TO SERIOUSNESS REFERENCE TABLE

A.C.A.16-90-803(b)(2)Offender History - provides that the criminal history score based upon prior felony criminal records is to be determined by reference to the seriousness level rankings of the prior offenses. Levels I - V are equal to one-half (.5) point and Levels VI - X are equal to one (1) point.

CRIMINAL HISTORY: OUT-OF-STATE CONVICTIONS

For the purpose of determining criminal history scores, prior felony convictions from other state jurisdictions shall be ranked at the level of the most comparable offense in this State. The determination of which Arkansas offense is comparable to the out-of-state offense when there is a question of fact or law, shall reside in the sound discretion of the court.

CRIMINAL HISTORY: REDEFINED OFFENSES

If an offense has been redefined by the Arkansas General Assembly, a prior felony conviction shall be ranked in the same manner as an out-of-state conviction with consideration of any new or removed elements. For example, the prior definition of burglary in Arkansas did not specify the element of the type of occupiable structure, i.e. residential or commercial, sentencing courts should determine when possible whether a prior conviction for burglary involved a residence in which case one criminal history point should be assigned as the prior offense is comparable to residential burglary (Level VI) or involved a commercial structure in which case one-half point should be assigned as the prior offense is comparable to commercial burglary (Level V).

OMITTED OFFENSES POLICY

If a felony offense has been inadvertently omitted from the seriousness reference table, the trial court shall exercise its discretion by designating a seriousness level which it believes to be appropriate.

Commitment and Dispositions Forms

See A.C.A.16-90-402

Who is responsible for judgment and commitment forms?

Accurate commitment forms are essential for the Department of Correction to determine how long to keep a particular offender on a particular offense and when he may be eligible for release. A uniform form is the responsibility of the Department of Correction, the Arkansas Judicial Council and the Arkansas Prosecuting Attorneys' Association. The Arkansas Supreme Court adopted Administrative Order Number 8 - Forms for Reporting Case Information in all Arkansas Trial Courts on February 26, 1996. This Order makes the office of the prosecuting attorney responsible for completion of Judgment and Commitment and Judgment and Disposition forms.

Following submission to the circuit judge for his signature, these forms are filed with the circuit clerk and a copy forwarded to the Administrative Office of the Courts. A certified copy of a Judgment and Commitment is to be delivered by the sheriff with the defendant to the Department of Correction.

Which form do I use: Judgment and Commitment or Judgment and Disposition?

Use a Judgment and Commitment form for a term of incarceration in the Department of Correction or a judicial transfer to a Department of Community Correction Regional Correctional Facility.

Use a Judgment and Disposition form for all other types of sanctions including: 1) a term of probation, 2) probation plus a term of incarceration in a Regional Correctional Facility (Probation Plus), 3) suspended imposition of sentence, 4) fines, 5) any other type of alternative sanction that does not involve a term of incarceration in a Department of Correction prison unit.

Critical data elements on Commitment forms which are often omitted or incorrect

It is critical that judgment and commitment forms are accurately prepared. The DOC intake procedure includes faxing a copy of completed, signed commitment forms to them for the offender to be placed on the waiting list. The forms are checked for sufficiency and omissions need to be corrected before the DOC can take custody of an offender. Training is available from Commission staff on completing forms.

The following data elements are often omitted or incorrect and result in amendments being necessary and delays incurred. *This is not an all inclusive list, but is prepared for form instruction purposes only.*

1. Offense date - release laws are determined by the date of the offense. Without an offense date, release eligibility cannot be determined.
2. Offense classification - release eligibility may be determined by their offense class
 - Transfer eligibility - whether an offense is above or below the transfer eligibility line may be determined by the class of the offense
 - Drug offenses - the schedule of the drug may affect the class and release eligibility
 - Inchoate offenses - solicitation, attempt and conspiracy are one class lower than the substantive crime which may affect their release eligibility
 - Misdemeanors - persons cannot be committed to the DOC for misdemeanors

3. Inchoate offenses - citing the inchoate statute without the substantive offense does not give sufficient information on why the person is being committed
4. Total time to serve - this is necessary to determine how long the offender is to be held - it is especially important to avoid problems when additional suspended sentences are imposed and when multiple counts or cases are run consecutively
5. Criminal History Scores - missing or inaccurate criminal history scores could cause perceived disparities where none exist.
6. Departure reports - without a departure report, an offender may be released early.

Admission Problems with Department of Correction

Department Of Correction - the commitment form provides the DOC with their legal basis for taking custody of an inmate. The basic information which they must have is: that they have the right person (identification information - name, DOB, race, gender, etc); why they can keep him (his crime); how long to keep him (this sentence); when to release him (total time to serve); and the authority committing him (the court, the case, etc.). If the sentence is a departure from the presumptive sentence in the sentencing guidelines, a departure must accompany the commitment form.

Admission Problems with Department of Community Correction

Offenders being sent to DCC facilities must be target offenders and must not have been disqualified by prior felony convictions of a violent or sexual nature to be accepted in a facility. Local DCC officers will determine eligibility of an offender if contacted prior to sentencing. Different forms are used for the two types of admission: (1) Judgment and Disposition Orders are used for a term of confinement imposed as a condition of probation and (2) Judgment and Commitment forms are used for a “judicial transfer”. The DCC Court Referral Coordinator may be reached by telephone at (501) 682-9563.

“Judicial transfers” are commitments to the DOC with a transfer to the DCC by the judge. The offenders go directly to the DCC and are released from there. Commitments need to reflect a judicial transfer in three places:

1. “Defendant is assigned to...”
2. “Defendant committed a target offense...”
3. “The County Sheriff is hereby ordered...”

Departure Report Forms

When do you use them and when do you not? Where do they go?

Departure report forms are required whenever the sentence in a case is a departure from the grid. This may be a dispositional or a durational departure. It is only for the most serious count in a multiple count case. An aggravating reason should be marked if it is an upward departure and a mitigating reason should be marked if it is a downward departure. The original should be filed with the court file, a copy, along with a copy of the Judgment and Commitment/Disposition form, sent to the Sentencing Commission and a copy should accompany the offender to any correctional facility. Most jurisdictions have either the prosecuting attorney’s office or the court clerk send the Commission a copy. Departure Reports are not required for revocation proceedings. However, the judgment and commitment form must state that this commitment is a result of a revocation or the Department of Correction will require a Departure Report. Please

call the Sentencing Commission at (501) 682-5001 with questions concerning departure reports. In order to eliminate some of the time-consuming paperwork, the Sentencing Commission has begun notifying Prosecutor's offices when a Departure Report has been unnecessarily prepared.

The following are the most common reasons for unnecessary Departure Reports and the statutory reference for each.

1. Imposed sentence is not a departure from the sentencing standards.
2. Imposed sentence is a result of Probation/SIS revocation. (Departure reasons are not necessary on revocations disposed after 8/13/2001). Please see A.C.A. 16-90-803(a)(1)(B).
3. Jury trial, jury sentenced. Please see A.C.A. 16-90-803(b)(4).
4. Mitigated departure not necessary when AS/RPF is available as the presumptive sentence. Please see A.C.A. 16-90-804(a)(2)(B).
5. Most severe offense was not a departure. Please see A.C.A. 16-90-804(a)(2)(A).
6. Felony DWI. Please see Arkansas Sentencing Standards Grid Policy Statements.
7. Capital murder. Please see A.C.A. 16-90-803(b)(5).
8. Offense was nol prossed or dismissed.

Is a Departure Report needed for a statutory override or an habitual offender?

Yes. Each class of crime has a penalty range set by the legislature which may be enhanced to higher maximum when the offender is charged as an habitual. These statutory ranges are listed on the individual grids on pages 8 - 17. These minimum and maximum ranges govern over a presumptive sentence which falls below or above such ranges. See A.C.A. 16-90-803(b)(3)(C). More than one class of crime is present at most levels which may result in the presumptive sentence being too high or low for one offense without affecting offenses of a different class.

The Commission recognized that the mandatory prison sentence for felony DWI, which is ranked at level 3. The sentencing standards grid does not recommend penitentiary time in the first two history score columns. The Commission has specifically recognized this exception and does not require a departure form for it.

Any other statutory override should be recorded on a departure form. The Commission adopted a modification of the form in October of 1995 to include this factor under the aggravated factor section. "Habitual offender status" may also be noted in the "Other Aggravated" factor space.

Release Eligibility

There are four levels and two standards for release eligibility. The four levels are: 1) 100% of time served as defined at A.C.A. 16-93-609; 2) 70% time served as defined at A.C.A. 16-93-611; 3) one-half and 4) one-third time served with credit for good time as defined at A.C.A. 16-93-1301 and found on the sentencing grid.

Release Eligibility - Standards of Review with 1999 Amendments

The two standards are set out at A.C.A. 16-93-206(b)(2)(B) with the Post Prison Transfer Board being given greater discretion in their review of certain offenses. See A.C.A. 16-93-206(C). Act 1035 of 1999 added certain violent and sexual offenses and removed certain drug offenses. The crimes added are: Murder II, Manslaughter, Negligent Homicide, Sexual Abuse I, Battery I, Domestic Battery I, and Simultaneous Possession of Drugs and Firearms.

100% Time Served

Act 1805 of 2001, codified at A.C.A. 16-93-609, states: "Any person who commits a violent

felony offense or any felony sexual offense subsequent to August 13, 2001, and who has previously pleaded guilty or nolo contendere to, or been found guilty of, any violent felony offense or any felony sexual offense shall not be eligible for release on parole by the board.” This act defines a violent felony offense or any felony sex offenses as those offenses listed in A.C.A. 5-4-501(d)(2).

70% Parole Eligibility

Certain offenses will serve 70% of their prison sentence without credit for good time. These offenses are noted on the grids. It is important that Manufacturing Methamphetamine and Drug Paraphernalia Used to Manufacture Methamphetamine be specifically noted on the Judgment and Commitment as it is a subset of the statute and the DOC will not know to apply this release criteria unless it is noted on the commitment. The Methamphetamine offenses were originally scheduled to sunset on April 30, 2002. However, Act 1782 of 2001 repealed the sunset provisions. (See A.C.A. 29-30-162 and 29-30-163). Act 717 of 1999 provides this statute may be waived for juveniles convicted as adults who were merely accomplices. Offenders sentenced to a Regional Correctional Facility via judicial transfer for Paraphernalia used to Manufacture Methamphetamine are still subject to 70% parole eligibility.

Habitual Offenders - “Two and Three Strikes”

The “two and three strikes” sections of the habitual offender statute, subsections (c) and (d), must also be specifically noted on commitments for the Department of Correction to be aware of their applicability.

Early release from prison

Are the offenders really being kept until their transfer eligibility dates?

Yes, the only exceptions are the Emergency Powers Act (A.C.A. 12-28-601 et seq.) and Boot Camp (A.C.A. 12-28-701 et seq.). Certain offenses are not eligible for boot camp and no offender with a sentence longer than ten years is eligible

The Emergency Powers Act was amended during the 2003 legislative session. Subsection (a) refers to early release of certain inmates when the capacity of the rated capacity of the Department reaches 98%. Certain classes of inmates may have their incarceration time shorten by no more than three months. Subsection (b) refers to an overcrowding condition when the count jail backlog exceeds 500. Certain classes of inmates, who have been incarcerated in a Department of Correction facility for a minimum of six months and are serving a sentence for a nonviolent offenses as established by the board, may have their transfer eligibility date moved up one year. (Please refer to A.C.A. 12-28-604).

Act 346 of 1975 First Offender Act Codified at A.C.A.16-93-301 et seq.

What is it? How has it changed? Do the standards affect it? How often can it be used?

The “First Offender Act” applies to first offenders who are placed on probation and who are eligible for expungement upon successful completion of their probation term. In general, it has not changed significantly since its original enactment. The standards do not affect it. It can only be used once.

Act 378 of 1975 Alternative Service Act Repealed by identical Acts 531 and 548 of 1993; previously codified at A.C.A.16-93-501

What happened to it?

The “Community Punishment Act” repealed and replaced Act 378. The primary differences are

that the Community Punishment Act affects “target offenders” and expungement is performed by the courts, not the Parole Board. Otherwise, the Department of Community Correction now offers confinement as an alternative to the prison beds run by the Department of Correction.

Act 998 of 1995 Expungement Codified at A.C.A.16-90-901 et seq.

When and how can a conviction be expunged?

Clarification of when and how convictions may be expunged or sealed was addressed by this Act in 1995. It provides for new procedures which include a uniform petition and order developed by the Arkansas Crime Information Center. It is important that expungements are entered with all necessary information on a copy of the ACIC order for ACIC , the central repository of records, to know the correct record to seal.

Firearms, Expungement, and Pardons

No person shall possess a firearm who has been convicted of a felony. A.C.A. 5-73-103(a)(1). The Governor may restore this privilege with a pardon expressly restoring the right or without a pardon under certain circumstances. A.C.A. 5-73-103(d). An expunged conviction may not serve as the basis for a charge under this statute. See *Irvin v. State* 301 Ark 416, 784 S.W. 2d 763 (1990); see also Attorney General opinions 94-148 and 94-080.

Inchoate Crimes

Codified at A.C.A.5-3-101 et seq.

How are inchoate crimes affected by the standards and Community Correction? How should inchoate crimes be listed on commitment forms?

Attempt, solicitation or conspiracy of a substantive crime are ranked one seriousness level below the substantive offense ranking on the grid. See A.C.A.16-90-803(b)(1)(E). This would have a dual effect for crimes just above the transfer eligibility line as crimes just below the line will be eligible for release sooner as well as having a different presumptive sentence. An inchoate crime for statutory classification purposes is classified one level below the substantive offense, i.e. an inchoate of a Class B offense is a Class C. See A.C.A.5-3-201, 301, and 404. This effect may be significant for eligibility for a Community Correction facility as Class Y controlled substance offenses are not eligible whereas Class A and B controlled substance offenses are now eligible. See A.C.A.16-93-1202. The substantive crime and the inchoate status of that crime should both be noted on the commitment forms.

Suspended Sentences

See A.C.A.5-4-104(e)(1)and (3)(Repl.1997)

What does a suspended sentence mean when it is combined with a term of imprisonment and how should it be entered on a commitment form?

A court may sentence a defendant to a term of imprisonment and suspend imposition of sentence as to an additional term of imprisonment. See A.C.A.5-4-104(e)(3) A court may not sentence a defendant to a term of imprisonment and place him on probation, *id.*, nor may a court suspend execution of a sentence. A.C.A.5-4-(e)(1)(B)(ii). An additional term which is suspended begins to run the day the defendant is lawfully set at liberty from the imprisonment. A.C.A.5-4-307(c). A term of imprisonment and a suspended imposition of an additional term should not be added together when entering the “sentence imposed” on a commitment form.

Can Class Y drug offenders be placed on probation?

Yes. See *Elders v. State*, 321 Ark. 60, 900 S.W.2d 170 (1995); *Stinnett v. State*, 63 Ark. App. 72, 973 S.W.2d 826 (1998). Confusion has arisen as A.C.A. 5-4-104(e)(1)(C) provides that Class Y felonies may not be suspended or placed on probation. Prior to Act 192 of 1993, A.C.A. 5-4-104(e)(1)(F) provided:

(e)(1) The court shall not suspend imposition of sentence as to a term of imprisonment

nor place the defendant on probation for the following offenses:

(F) Drug related offenses under the Uniform Controlled Substances Act, 5-64-101 et seq. except to the extent that probation is otherwise permitted under subchapters 1-6 of chapter 64.

Act 192 of 1993 deleted (F). The *Elders* and *Stinnett* cases interpret Act 192 to mean that drug offenders can be placed on probation as they were removed from the prohibition in A.C.A. 5-4-104

DNA Detection of Sexual and Violent Offenders Act

Act 737 of 1997 set up a DNA database and a DNA data bank under the State Crime Laboratory to assist in “detecting recidivist acts.” A.C.A. 12-12-1102. Act 1470 amends the definition of “qualifying offenses” to mean “any offense as defined in the Arkansas Criminal Code §§ 5-1-101 et seq. or a sexual offense classified as a misdemeanor as defined by Arkansas Criminal Code §§ 5-1-101 et seq. or a repeat offense as defined in this section. It also makes refusal to provide a DNA sample a Class D felony.

Sex Offender Registration

Act 202 of 2001 amends A.C.A. 12-12-906(a)(1) and (c)(1). If the offender is sentenced to incarceration in the Department of Correction, it is the responsibility of DOC to assure that the offender completes the registration form. If the offender is adjudicated guilty but not incarcerated, the Department of Community Correction has the responsibility to assure that the offender completed the registration form. Offenders must provide a DNA sample.

Act 330 of 2003 makes provisions for placing information about levels 3 and 4 sex offenders on the State of Arkansas Internet home page. It also make it a Class D felony for level 3 or 4 sex offenders to reside within 2000' of property on which any public or private elementary or secondary school or daycare facility is located.

Victims Rights Act 1262 of 1997

See A.C.A.16-90-1101 (Repl. 1997)

What are the rights of victims?

Much of this Act has to do with the availability of information about an offender’s case and any confinement. The Arkansas Crime Information Center received a grant to put in place a notification system which is called VINE. See A.C.A. 12-12-1201. This program completed implementation in July of 1999 and may be reached by calling 1-800-510-0415.

Crime Victims Reparations is covered at A.C.A.16-90-701 et seq.

Extended Juvenile Jurisdiction Act

A.C.A. 9-27-501 et.seq.

This act provides for “blended sentencing,” and modifies existing juvenile jurisdictional statutes.

Sentencing News

The Commission staff sends out a biweekly news letter called “The Sentencing News.” This newsletter is emailed to all judges, prosecutors, public defenders and all other interested parties. The newsletter tracks U.S. Supreme Court, Arkansas Supreme Court and Arkansas Court of Appeals decisions that deal with sentencing. If you would like to receive this newsletter, please make us aware of your email address.

The Sentencing Commission is also involved in conducting two Continuing Legal Education Classes. The Administrative Training class provides three hours of CLE credit. This class answers questions regarding how to fill out Judgments and Commitments, Judgment and

Dispositions, Departure Reports, and other paperwork. This class is offered for lawyers as well as support staff and court personnel.

Another class is the Sentencing Law Seminar. This class provides a total of five hours of CLE credit which includes one hour of legal ethics. Credit is also earned for a two-hour tour of the Central Arkansas Regional Correctional Facility. In addition to the tour and the ethics sections of the seminar, representatives from the Department of Correction, the Department of Community Correction, and the Post Prison Transfer Board teach segments relating to their areas of expertise. Contact the Commission office to register for either of these seminars.

Acts of 2003. Sentencing Changes

Numerous acts created new crimes, new classifications, new enhancements and new definitions. All of these acts have been incorporated into the rankings in this book. A separate listing of these acts by act number may be obtained from the Commission upon request. DEPARTURE REPORT

When to Complete: This report should be completed by the judge when (a) the disposition differs from the presumptive disposition; (b) the sentence length imposed differs from the presumptive sentence length; or (c) when the disposition and duration differ from the presumptive disposition and duration provided in the guidelines.

Offender Name: Record the name of the offender as it appears on the *Judgment and Commitment or Judgment and Disposition form*.

County #: The uniform identification number for each county. This number is used in conjunction with the Circuit Case Number as the complete record identifier for this case.

Judge Name: The name of the judge completing the Departure Report.

Circuit Court Case #: The number used for filing cases in the circuit court.

Reasons for Departure: In making decisions about departing from the guidelines, and in writing reasons for departures, judges should consult A.C.A. 16-90-804 (Supp. 1993)

If the departure reasons were stated in open court, a certified transcript of the reasons given may be attached to this report in lieu of listing the reasons.

Reasons stated for departure should be brief, but specific. They should distinguish the unusual nature of the current case, and indicate why the departure is more appropriate, fair, or equitable than the presumptive sentence.

Decisions with respect to sentencing disposition and sentence duration are logically separate. Departures with respect to disposition and duration are logically separate. A judge may depart from a presumptive disposition without departing from the presumptive duration, or vice-versa. If a judge departs from both a presumptive disposition and presumptive duration, two departure decisions have been made, each requiring written reasons. Reasons for both decisions should be given on a single Departure Report.

Distribution: White: Court File; Blue: Arkansas Department of Corrections for those committed to that institution; Green: Arkansas Sentencing Commission, 101 East Capitol, Suite 470, Little Rock, AR 72201; Goldenrod: Prosecutor; Pink: Defense Attorney.
