Greetings fellow professionals and industry partners,

As you know, many changes have taken place within the regulation of Cosmetology in the State of Arkansas. First off the departure of the Director, Ms Sheila Caudle. I wish her much luck in any endeavors she may undertake. Second the relocation of the administrative offices from 101 E. Capitol, to the 4815 W. Markham location. The phone numbers have not been changed for your convenience. Third all exams will continue to be held in the exam facility located next to the former offices, for the time being.

Meetings/hearings will take place at the Markham location. Please plan ahead if you are attending the meetings/hearings, as parking is a problem. So my best advice is to come early and bring your patience. Check the website, if you have that capability, for any updates or changes.

The Cosmetology profession is a dynamic industry, full of good, hardworking people that contribute so much to the lives and safety of the public. Whether you are in the salon or in the trenches at a educational facility, please feel free to contact me if you have any questions, concerns, thoughts or ideas to make this profession even more wonderful.

Kind regards,

Susan Collins-Burrough
Chairman

Regional Meetings
