GENERAL
BUSINESS

Director Updates

Mr. Taylor explained that the amendment to this year's NIC contract had been amended and approved and that the contract for 2004-2005 had been awarded, just waiting on signatures. GL Suites was awarded the software contract for the Board's new licensing system; the contracts were on his desk awaiting his approval and signature. The contract with DIS to host the server was completed and signed. The price would be approximately \$35,000 for the computer software along with additional annual costs associated with maintenance and upgrades. We have also contracted with DIS to provide an anti-virus software program for 2 years. He stated that the NIC conference will be in Richmond, VA in August and more information would be sent upon receiving it.

Waiver Request

At the last Board meeting, the Board denied the waiver request of an establishment. Mr. Taylor advised the Board that there are three other salons in the same building that had been allowed to open with waivers of the square footage requirements. Mr. Taylor requested that the Board revisit the waiver denial in that the salon is adjacent to one that had been granted a waiver.

Johnnie Siebel moves to waive the requirement for this establishment but from this day forth, no one else can be wavered in that building. Powell seconded. Motion carried. Traylor opposed.

Budget

Mr. Taylor explained the process of the next budget regarding allotment for Board members.

Region Meeting

Veda Traylor and Johnnie Siebel reported on the meeting they attended. Both said it was a very good and informative meeting. Mrs. Traylor did ask the NIC President that Arkansas be placed in a different Region. The NIC President asked that our Board write a letter requesting that.

Exam Schedule

The exam schedule for July 2004 – June 2005 was discussed and Mr. Taylor requested that the Board let him know the dates they would NOT be available.

Court Reporter

Mr. Taylor expressed the difficulty of finding a new court reporter. The problem being that since we only have transcripts when a hearing is appealed, Court Reporters will not work for the Board of Cosmetology because of the money associated with only doing the hearings. He advised that they will only do it if they can tape the complete day and do a transcript of it.

Veda Traylor moves to hire a court reporter for the entire Board meeting. Johnnie Siebel seconded. Motion carried.

Executive Session

Mr. Taylor reminded the Board that they can only go into Executive Session to discuss personnel issues and exam scoring. Nothing else.
